

**Announcement Date: April 9, 2026**

## **Price Increase for Trosifol® PVB Interlayers and Mowital® Tech Resin**

Kuraray today announced a 10% price increase for its Trosifol® PVB interlayers and Mowital® Tech resin, effective for shipments on or after May 1, 2026.

The price increase applies to all regions globally and is driven by sustained cost increases across the supply chain, including raw materials, packaging materials, transportation, logistics, and energy.

1. Scope: Trosifol® PVB and Mowital® Tech resins in all regions
2. Price Increase: 10%
3. Effective date: Shipments on or after May 1st, 2026

Kuraray remains committed to delivering high-quality interlayer solutions for architectural and automotive safety glass applications while maintaining reliable supply and technical expertise for its customers worldwide.

Please contact your Sales/Account Manager or Customer Service Team for additional information.

Kuraray is the leading global producer of PVB and ionoplast interlayers for laminated safety glass applications in the architectural segment. With the biggest product portfolio worldwide, Kuraray offers outstanding solutions:

- Structural: Trosifol® Extra Stiff Pro PVB and SentryGlas® ionoplast films
- Sustainable Glazing: Trosifol® R3, designed to meet the growing demand for eco-friendly solutions
- Acoustic: Trosifol® SC Monolayer and Multilayer PVB films for sound insulation
- Films for UV control: Trosifol® UV Extra Protect, Trosifol® Natural UV and SentryGlas® Natural UV - from complete UV protection to natural UV transmittance
- Trosifol® UltraClear PVB film with the lowest yellowing value in the industry
- Decorative & Design: Black and white, color and printable interlayers
- Bird friendly solutions: Trosifol® BirdSecure® Pro and SentryGlas® BirdSecure® Pro
- Extremely durable scratch-resistant hard coat: Trosifol® Spallshield® CPET
