Kuraray Co., Ltd.

Price Increase for Interlayers for automotive and architectural safety glass

Kuraray announced today it will increase the prices of interlayer films globally for shipments on or after December 1st, 2021. The price increase is due to the cost increases in raw materials, packaging materials, transportation, logistics and energy.

1. Scope: Trosifol® PVB and other interlayer films in all regions
2. Price Increase: 15% or more
3. Effective date: Shipments on or after December 1st, 2021

Please contact your Kuraray sales or customer service representative if you have any questions or need additional information.
