## **Discover Our New Website and Find Inspiration!**

We are thrilled to announce the launch of our redesigned Trosifol website, where innovation, inspiration, and sustainability converge. Our commitment to sustainable practices takes an important stage with our new Sustainability section, showcasing our Environmental Product Declarations (EPDs) for SentryGlas® and Trosifol® and Life Cycle Analysis (LCA) reports which rigorously assess and measure the overall environmental impact of our offerings throughout their entire life cycle. We believe in creating advanced interlayer solutions that not only elevate your glazing projects but also contribute to a greener future.

We invite you to embark on a journey of innovation and sustainability. Our team of experts is here to support you at every step, providing guidance and expertise for your past, present, and future projects.

Experience the power of laminated

glass and embrace sustainability with AIS Kuraray. Join us on our new website and be part of shaping a brighter and greener future.

Navigate through our intuitive and refreshed interface to explore a world of possibilities. Within just a few clicks, you will find essential information, application-specific products, and powerful calculators, including our Solutions Finder. Unleash your creativity as you browse our extensive gallery, filled with success stories that inspire and motivate you to surpass boundaries.

At AIS Kuraray, we are proud to introduce a robust registration system that ensures you receive personalized content tailored to your interests. Stay informed with our "Laminated Glass News" and access essential safety datasheets at your convenience.

Visit our new website at [www.trosifol.com](http://www.trosifol.com) and explore the possibilities!

And do not forget to contact us with any questions you may have, relating to past, present, or future projects. We are always here to help!
